

FC Missoula Team Sponsorship Policy

The FC Missoula Soccer Club is committed to providing the children and youth of Missoula with the opportunity to play soccer at every level. As a nonprofit 501c(3) organization, our mission is to provide quality coaching and player opportunities, expand player knowledge and skills and encourage all soccer players to seek the highest level of play. Corporate sponsorship is a key ingredient in supporting our competitive soccer players who may otherwise incur financial hardship. We seek local support from businesses to assist our competitive FC teams.

The sponsorship funds provided by your business will be used to offset the cost of:
Team uniforms, warm up suits, and equipment. These costs average \$250/player.
Tournament registration fees. Most tournaments in Montana require registration fees in the \$200-\$300 ranger per team. Out of state tournaments, providing players with excellent competition and allowing the opportunity to be seen by college scouts, average at least \$500 per team.
Travel costs; hotel rooms, team dinners at tournaments, etc. as designated by each individual team manager and coach.
Equipment costs such as a canopy and team bench for use at games and tournaments; balls, drill equipment, etc.
Coaching clinics provided by Montana Youth Soccer Association or other excellently trained soccer professionals and/or opportunity to attend summer camps for the entire team.
Player registration fees.

The FC Soccer Club will make every effort to promote your business as one of our sponsors. As a sponsor, your organization may receive the following benefits:
Recognition of your sponsorship on our website: www.fcmissoula.com
Ability to have your corporate logo on our team equipment, team canopy, benches or a banner that can be made for each team to display at their games and tournaments.
Team T-shirt to be worn at tournaments and games with your business logo.
A team plaque with a picture of the team for use in your place of business.

100 % of donations will be given directly to the team that procures the sponsorship. Preference will be given to allowing parents of players on each individual team to be sponsors for that team. Sponsorships are a 1 year commitment and priority will be given to previous years sponsors for the next season. Any funds that are not used at the end of the competitive season will be used for the next season for that team.
